2022-2023 Preschool Registration

**\$65.00 Non-Refundable registration fee is due at the time of enrollment and
 MUST be paid to secure your child's space.**

Dear Parents,

Thank you for your interest in Mt. Airy Day Care & Learning Center's Preschool Program. Our preschool program serves children ages two through five years (as of September 1). We are very enthusiastic about the year ahead of us and have a variety of programs to offer for all your various needs. For families already with us, registration starts the first full week in January 2022 for the 2022-2023 school year. Reserve your spot early, as registration will open to the public on February 1, 2022. Please feel free to contact us if you have further questions about our programs.

As an MSDE Accredited center and a proud participant in MD EXCELS, we are excited to offer families we serve a high-quality program. Per the MMSR testing results, those children who attended our programs are fully ready for kindergarten! Our dedicated staff continues to participate in professional development that goes above and beyond the expectations of the Maryland regulations and has completed training in MMSR (Maryland Model for School Readiness) and SEFEL (Social and Emotional Foundations for Early Learning), which are both utilized in CCPS and FCPS. We strive to offer developmentally appropriate opportunities for the children using the Creative Curriculum and elements of "Handwriting Without Tears", which focuses on a hands-on approach to systematically make connections of the letters to their sounds.

If you would like to register your child in one of our preschool classes, please complete the registration form and return it with a non-refundable \$65.00 registration fee. This is the only way to guarantee a spot for your child. A registration form, accompanied with a \$65.00 non-refundable registration fee, must be completed for each child in your family.

Below are the programs we are offering next year. **All programs tuition is based on a whole year fee (September to May). Tuition will not be reduced for partial attendance. We provide a monthly payment plan to make it easier for our families. However, we do offer a one-time payment or midyear payment plan. Please see the front desk for details.** We are very excited about the variety of programs we will be able to provide. Please understand classes will be confirmed after registration is complete. We do reserve the right to cancel a class due to insufficient enrollment. You will be notified if this occurs as soon as possible. Feel free to contact us if you have any further questions.
